The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

4. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

5. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

6. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

7. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

8. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

9. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

10. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

11. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

A) insignificant B) temporary C) significant D) weak

12. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

13. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

14. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

15. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

16. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

17. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

18. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

19. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

20. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

21. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

22. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

23. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

24. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

25. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

26. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

27. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

28. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

29. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

30. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

31. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

32. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

33. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

34. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

35. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

36. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

37. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

38. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

39. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak

40. Choose the correct answer for the sentence below:

The results of the research were highly _____.
A) insignificant B) temporary C) significant D) weak
